

You can save \$500 or more a year
on Teacher Association dues and Professional Liability insurance!

Indiana Professional Educators, Inc.

For a typical Indiana teacher, \$600 or more a year is being deducted from your paychecks for dues, fees and political activities. The vast majority of this money is actually sent to state and federal labor unions, not your local association.

You have a choice. Join an alternative association, dedicated to promoting the profession, improving the education of children and protecting the rights of independent teachers.

Join the Indiana Professional Educators.

IPE dues are only \$107 per year - a savings of \$500 or more per year! IPE dues are directly related to insurance and program costs, not making payments to national labor unions or political campaigns
